

# Welcome to Snowpack Taproom!

We started Snowpack Taproom to give Conifer a much needed place to hang out, relax, unwind and experience new and exciting beers, wines and spirits. All of our items constantly rotate including our small food menu so what you have today might not be here tomorrow. Being a taproom, we do not provide table service, but our bartenders are happy to take your food order and we'll deliver it to your table once it's ready. Your drinks will all be served at the bar as they're ordered. We're happy to let you try any of the beers we keep on tap before you order it to make sure it's something you enjoy.

If there's any way we can make your time at Snowpack Taproom more enjoyable, we would love to hear about it! Stop by our website at <https://snowpacktaproom.com> and let us know.
